Vitreous China 6/3 litre Dual Flush  
Toilet Suite

CI/SfB	(74.1)	g3
Date	July 2008	

Supersedes all previous issues

# 3.24.1

A high quality traditionally styled 6/3 litre dual flush vitreous china toilet suite which incorporates authentic design elements from the Federation period in Australia. The combination of the simple detailed lines and shrouded trap provide for easy cleaning. All exposed metal parts are gold or chrome plated for low cost maintenance. The specially developed push buttons are easy to operate and have durable moulded lettering which will not wear off with use. Due to the substantial savings of the 6/3 litre system the matched suite can be used for septic applications. Suitable for domestic and light commercial installations.

- Pan:** **Vintage** 6 litre full flush washdown pan with open flushing rim.
- Traps:** S or P-trap unvented only.
- Flush Pipe:** Gold plated brass. Chrome plated brass option available (SMO).
- Cisterns:** **Vintage Cistern** – has free fitting lid and is suitable for domestic and light commercial applications.
- Inlet Valve and Overflow:** **Standard Bottom Entry Cistern** – available as right hand inlet which is interchangeable and incorporates new Quietflow inlet valve. Internal overflow only.  
**Back Entry Cistern** – An optional back entry conversion kit is available to convert the cistern from right hand bottom inlet to concealed back entry.  
**Important: Working pressure minimum 30kPa to maximum 1000kPa flow pressure. Rain water tank compliant. Accurate wall setout for B.S.P. 1/2" Nipple water inlet connection is essential.**
- Fixing:** D.97 Quickfix Bracket – Is used to secure cistern to finished wall.
- Seat:** **Vintage** made from solid Jarrah Code No.301110. The Vintage seat is available with either chrome plated or gold plated hinges.
- Colours:** White and Ivory.
- Installation:** The installation of the toilet suite shall be in accordance with the normal minimum drainline grade requirements in AS/NZS 3500.2.
- Dimensions:** All dimensions are in millimetres and are subject to normal manufacturing variations. Caroma pursues a policy of continuing improvement in design and performance of its products. The right is therefore reserved to vary specifications without notice.
