## Acrylic Bath

1522mm x 755mm x 470mm  
1672mm x 755mm x 470mm

A modern quality styled island bath for general applications, featuring smooth sculptured surfaces for visual simplicity with lumbar support. The 430mm depth and generous bath area provides for greater user comfort and luxurious appearance.

The **Medina** bath is available in two sizes: 1522mm long x 755mm wide x 470mm deep – standard Code No.826800; and 1672mm long x 755mm wide x 470mm deep – standard Code No.826900.

Both sizes are also available as Spa Baths in Combo, Aero and Hydro configurations as standard or hot versions.

**Durability:** Sanitaryware grade acrylic resists chipping, will not rust and has excellent heat retention properties. Its high gloss finish has natural slip resistance. Minor scratch marks can be removed with metal polishes.

**Waste Outlet:** The reinforced waste outlet is suitable for 40mm diameter standard waste assembly.

**Bath Capacity:** Medina 1522 – 250 litres; Medina 1672 – 280 litres.

**Installation:** The bath is suitable to be installed for island installations. The bath is supported around its rim and the base is supported with timber base supports. Refer Sheet 9.20.1 for further installation information.

**Colours:** White only.

**Dimensions:** All dimensions are in millimetres and are subject to normal manufacturing variations. Caroma pursues a policy of continuing improvement in design and performance of its products. The right is therefore reserved to vary specifications without notice.
