Cube Invisi II

4.5/3 litre Dual Flush Toilet Suite with Cube Smartflush Vitreous China Wall Faced Box Rim Pan and Invisi II Smartflush Cistern for Inwall, Under Counter, Induct or Inceiling applications

Cube Invisi II toilet suite is suitable for inwall, under counter, induct, and in ceiling applications. The 4.5/3 matched performance suite with Caroma Smartflush system provides the latest water saving technology in sanitaryware. Featuring smooth sides and concealed plumbing fittings which allow for varying setouts. The unconnector pan connecting system allows for adjustments from 85mm – 120mm with a recommended setout of 90mm. Multiple button options are available to suit domestic and commercial applications. Concealed cistern and plumbing deliver space savings, easy cleaning and matched performance. For an update on Smartflush refer to www.smartinnovation.com.au

- Pan:** **Cube Smartflush** 4.5 litre full flush box rim pan.
- Traps:** Universal trap for S or P-trap installations.
- Cisterns:** **Invisi II Smartflush Cistern** – suitable for inwall, under counter, induct and in ceiling applications. For push button and access plate (not supplied) options see 6.15.1.
- Fixing:** **Pan** is supplied with D.80 Concealed Pan Fixing Bracket.
Cistern is simply mounted into position by clipping onto the two quick clip mounting brackets which are secured with screws to the studwork or induct brickwork. Cistern brackets and flush pipe supplied.
- Seats:** Includes **Cube Soft Close** seat.
- Colours:** White only.
- Installation:** The installation of the toilet suite shall be in accordance with the normal minimum drainline grade requirements in AS/NZS 3500.2.
- Dimensions:** All dimensions are in millimetres and are subject to normal manufacturing variations. Caroma pursues a policy of continuing improvement in design and performance of its products. The right is therefore reserved to vary specifications without notice.
