# Metro Invisi II

## 4.5/3 litre Dual Flush Toilet Suite with Metro Smartflush Vitreous China Wall Faced Box Rim Pan and Invisi II Smartflush Cistern for Inwall, Under Counter, Induct or Inceiling applications

A versatile modern wall faced back inlet Smartflush toilet suite that is suitable for inwall, under counter, induct, and in ceiling applications. The 4.5/3 is a matched performance suite with Caroma Smartflush system provides the latest water saving technology in sanitaryware. Featuring rounded contours and concealed plumbing fittings with a projection from the wall of 610mm. Multiple button options are available to suit domestic and commercial applications. Concealed cistern and plumbing deliver space savings, easy cleaning and matched performance. For an update on Smartflush refer to [www.smartinnovation.com.au](http://www.smartinnovation.com.au)

- Pan:** Metro Smartflush 4.5 litre full flush wash down box rim pan.
- Traps:** Universal trap for S or P-trap installations.
- Cisterns:** **Invisi II Smartflush Cistern** – suitable for inwall, under counter, induct and in ceiling applications. For push button and access plate (not supplied) options see 6.15.1.
- Fixing:** **Pan** is supplied with D.80 Concealed Pan Fixing Bracket. **Cistern** is simply mounted into position with the two brackets supplied which are screwed to the studwork. Cistern brackets and flush pipe supplied.
- Seats:** The Metro Invisi II suites are provided with either a **Metro** blind fixing seat or **Metro Soft Close** blind fixing seat.
- Colours:** White only.
- Installation:** The installation of the toilet suite shall be in accordance with the normal minimum drainline grade requirements in AS/NZS 3500.2.
- Dimensions:** All dimensions are in millimetres and are subject to normal manufacturing variations. Caroma pursues a policy of continuing improvement in design and performance of its products. The right is therefore reserved to vary specifications without notice.
